

Kuantan Port is a deep water, all-weather, multi-cargo seaport, run by a dedicated team of professionals that conduct the port's operations around the clock, 365 days a year. With a history that goes back more than four decades, Kuantan Port has developed into a major petrochemical, bulk and container terminal for the East Coast region of Malaysia. Kuantan Port is managed by Kuantan Port Consortium Sdn. Bhd. which is subsidiary of IJM Corporation Berhad - a public listed company on Bursa Malaysia.

Supported by a strong network of global shipping connections, Kuantan Port is currently set on course for an impending bigger rapid growth and development with the completion of the New Deep Water Terminal and has become a strategic and crucial multi-purpose port in the region.

Kuantan Port is looking for some suitably dynamic and dedicated professionals who are self driven, persistent and perseverant in their goals to march ahead the Company's interest. If you feel you are the right candidate for the listed jobs, Kuantan Port welcomes you with hope, expectation and future.

Kuantan Port offers competitive remuneration package which include the following:-

- Attractive monthly remuneration.
- Additional EPF contribution.
- Outpatient medical attention & dental for staff and immediate family members.
- Hospitalisation & surgical benefits for staff and immediate family members.
- Group Personal Accident Benefit.
- Group Term Assurance with Critical Illness Benefit.
- Optical subsidy.
- Annual physical health examination.
- Employee share options scheme (ESOS).
- Full attire uniform inclusive of trousers and shoes; and many more.
